

SUMMER CAMP 2020

Nine weeks of fun activities with weekly themes.

Flexible full and half day options with lunch and snacks.

Field Trips, educational visits and more.....

Week One - June 29 to July 3

Sports Fun

Soccer, floor hockey, basketball and more...

A week of sports fun focusing on non-competitive, skills-based games and activities which supports their motor and social development. We define this as children's PHYSICAL LITERACY.

No camp on July 1 – Canada Day Holiday

Week Two – July 6 to July 10

Reptiles and bugs

Exploring this unique phenomenon about reptiles and their interaction with bugs.

Reptilia will be visiting us on Thursday, July 9. Campers will have a chance to interact with alligator, spiders, snakes and more!!

Week Three – July 13 to July 17

Zumba Fun

Zumba is not just a dance. It allows children to be physically active and have fun along with the music. The program aids in the development of: Leadership skills, Respect of culture, Teamwork, Memory and sequencing, Creativity and imagination, Coordination and balance, Spatial awareness, Most importantly, building confidence and self-esteem

Zumba Fun Program is an offer by two very energetic ladies, Ms. Maria and Ms. Milva of Soulsister Zumba.

Week Four – July 20 to July 24

Kinder Stem

Stem is the integration (not singular practice) of Science, Technology, Engineering, and Math in an active environment that focuses on student-centered learning. Campers are engaged in the discovering of problems, questioning, problem solving, collaborating, and hands on activities while they face real world issues.

Week Five – July 27 to July 31

Travel Around The World

Campers will be building their own private jets and travel around the world to explore the history of different nations, their culture, point of interest in each country, types of food, clothing, landmarks.....

Week Six – August 4 to August 7

Animal Kingdom

Discover the world of animals; life cycles, families, habitats, food chains....

*** No camp on August 3 – Civil Holiday***

Week Seven – August 10 to August 14

Back to the Nature

Campers will be learning about different type of plants around the world, food groups and how to live in a green and healthy environment. We will be going some gardening, flower arrangements, choosing different vegetables to make their own salads, and, how to make our living space become more environmentally friendly.

*** Field trip to Earthbound Kids on August 13***

Camper will have a farm tour introducing them to all the furry friends. They will also experience the Earthbound garden as they explore the wonder of plants. August is the month for harvest and our campers will be pick their own vegetables, then make salad with their freshly picks.

Week Eight – August 17 to August 21

Cooking Fun

Iron Chef but kid's version!!

Campers will be learning about healthy eating and nutrition. From tasting new ingredients to trying new cooking methods – pizza, bread, homemade pasta, baking cakes, cookies.....

Week Nine – August 24 to August 28

Creative Mind

Engage a camper's imagination and creativity through different types of art projects to create their own master pieces!! Painting, sculpting, drawing, building.....and more
